

# CRISIS AID

2018 Annual Report

Helping the Helpless

Look at the birds  
of the air.

They neither sow, reap,  
nor gather into barns,

yet your heavenly Father  
feeds them. Are you not of  
more value than they?

Matthew 6:26

# 2018 – an incredible year; filled with many triumphs and tremendous joy! We are very blessed to be the connection between you and those that so desperately need you. THANK YOU for letting us be a part of your story.

### Moving Forward In East Africa

So much has happened since we first began 17 years ago. You have moved Crisis Aid from providing essential crisis intervention, to also launching ongoing sustainability programs for the people you serve.

#### Breaking The Cycle Of Generational Abject Poverty

The **TESFIA Project**, a 4-pronged sustainability program, sits on 11 acres of land right in the heart of one of the most impoverished areas we serve. Its intertwined elements (Feeding Center, Medical Facility, Commercial / Training Dairy Farm, and Agricultural Demonstration Farm) are designed to educate, launch, and sustain the surrounding farmers and their communities for generations to come!

The **Girls Village** is a 4-tiered project (Girls' Home, Children's Center, Vocational School, and Commerce Building) that focuses on the ongoing future of the girls, once victims of sexual slavery, and their children.

### UNITED STATES

#### Refuge Home (for Sex Trafficking Victims)

- You provided a safe and loving home for 24 girls, with 18 joining this year.
- You launched "crisis intervention" services with authorities.

#### Wings Love & Care Center

- You provided 11,597 people (4,404 families and 4,312 children) with 62,742 pounds of food through your Food Distribution Program.
- You provided 176 families a Thanksgiving meal and 116 families a Christmas meal.
- You provided 203 children with Christmas this year.

#### Volunteers (we could not do this without them)

- Over 209 volunteers donated their time and their resources.
- They gave 12,314 hours of service, saving thousands of dollars that we were able to apply to the programs.

### Moving Forward In the United States

So much has happened since we opened the **US Refuge Home** and acquired **Wings, Love & Care Center**. Together, we expanded far beyond the walls that house these programs and are now proactively involved in the communities we serve.

In November 2018, Crisis Aid was invited to open an office in a local Police Station where most of the sex trafficked girls in your US Refuge Home come from. With these officers, we are also actively involved with children who are in extremely high-risk situations. We are also providing front line intervention for those who are already caught in the horrors of sex trafficking.

What a change you are starting to make in these communities that will be felt for generations to come!
