

2022 GRATITUDE REPORT

Saving Lives, Saving Souls & Changing Futures

since 2002

A close-up photograph of a young child with dark skin and large, expressive eyes. The child is holding a clear plastic cup to their lips and drinking water. The background is blurred, showing other people in a crowd. The text is overlaid on the right side of the image.

When you partner with Crisis Aid, **you are providing nourishing food for the starving, safety for exploited girls, health care for the sick, clean water for the weary** — and so much more!

**WHAT
you did**

Five areas where we are winning the battle to **SAVE LIVES, SAVE SOULS AND CHANGE FUTURES:**

-  **Safety:** Assisting victims of sex trafficking and youth at high risk of sex trafficking, child sexual exploitation or other forms of sexual abuse.
-  **Health:** Addressing critical health issues in third-world environments through medical facilities, water wells and pastoral participation.
-  **Food:** Addressing the lack of food in communities where children are dying or malnourished due to poverty.
-  **Emergency Response:** Responding to life-and-death situations in the wake of catastrophes.
-  **Community Transformation:** Our long-term comprehensive solutions for addressing poverty and breaking cultural barriers for generations to come.

2022 Highlights

EAST AFRICA

1. Nutritional Feeding Program

You served 246,404 people, including over 73,422 severely malnourished children, a total of 7.9+ million meals (1.2+ million pounds).

2. Health Programs

You treated 73,762 patients and provided direct health education to 34,742 individuals this year.

3. Children Support Programs

In addition to feeding malnourished children, you supported 38 other children:

- 30 from the Children's Homes
- 8 from our Refuge Homes

4. Refuge Home for Sex-Trafficking Victims

You provided a safe and loving home for 28 girls and their children.

5. Mercy Chapel

You provided a vocational education to 132 girls who were rescued from the Red Light District and opened another vocational training program in a remote village where we work.
